FROM TONY KREMER AND YOUR LOCAL LIB DEM TEAM

FOCUS

YOUR CHOICE ON 3rd MAY

Tony knows Horsell intimately and understands what it takes to make this village a success.

Tony is the driving force behind the Neighbourhood Watch movement in both Woking and Surrey - a cause he supports because it brings residents together, making our communities safer and self-supporting.

Tony was the inspiration behind the HG Wells celebrations in 2016, working closely with the Council and coordinating the team behind its many activities.

OR

Another Conservative, taking this town further along the road to becoming a second-rate Basingstoke

Another vote for higher car parking charges, even longer traffic jams and deeper debt for future generations to sort out

and Labour are a distant third and cannot win here.

**REMEMBER!
BRING**

**TO VOTE ON
MAY 3RD**

A hard working, independent voice for Horsell

Remember 3 things this May

1

We don't want our Horsell Common and our green belt given over to become "garden villages". Developers will never give up, nor should we stop resisting the pressure to build, build, build.

2

We don't want Surrey building an incinerator on Martyrs Lane. It's hard to think of a more inappropriate place in the whole of Surrey for one of these monstrosities.

3

We may have to fight again and again to keep those skyscrapers at bay. Vote for a strong independent voice for Horsell.

Are we heading for a cliff edge?

No-one trying to follow the "negotiations" between the UK and the EU over the last 2 years can be happy with the direction of travel. Not the 48% who voted to continue our membership of the Single Market and Customs Union nor the 52% who voted to leave the EU.

The reason? Our Leaders don't know where they want to lead us to. They have a dream but reality has exposed that as empty. But the media barons are still peddling the myth that we would be better off fighting for market share alone.

Woking voted in the majority to remain a full participating member of the EU.

Our MP voted to leave.

Liberal Democrats are committed to BOTH campaigning for the best outcome for jobs and the economy for us all AND communicating the true state of affairs to the electorate - you, the voters.

Elect a hardworking Councillor for Horsell...
