

WILL FORSTER

Fighting for real change

This is our chance to change the direction of the country

Only the Lib Dems are fighting to stop Hard Brexit

The Conservative Government is dragging the country towards a Hard Brexit that will be disastrous for the future of Britain.

The General Election on June 8th is your opportunity to stop them by electing a Liberal Democrats MP here in Woking.

Only the Lib Dems are united in opposing Hard Brexit.

Liberal Democrat candidate Will Forster said: "This is our chance to send the Government a clear message that we do not want a Hard Brexit. If you want Britain to remain in the Single Market there is only one option in this election - back the Lib Dems."

"[Lib Dems are] the antiBrexit, Remain party. So for all those Remain voters still unreconciled to the outcome of the referendum, they are the obvious choice to go for."

Will Forster

and the Liberal Democrats

The ONLY effective opposition to the Conservatives in Government

Will Forster, born and bred in Surrey, has lived in Woking for more than 20 years and has a wealth of experience that make him a great choice for Woking's MP.

Will is a passionate European and as our MP will lead the fight against a Hard Brexit. Will is a strong supporter of the NHS and local schools, and will fight for fairer funding for Woking's schools and to improve local health services.

Having been a Lib Dem Councillor in South Woking for 8 years, and leading the Lib Dem opposition on Woking Borough Council since 2014, Will is well versed in local issues and has a track record of fighting for Woking residents.

The ONLY opposition to the Conservatives Hard Brexit

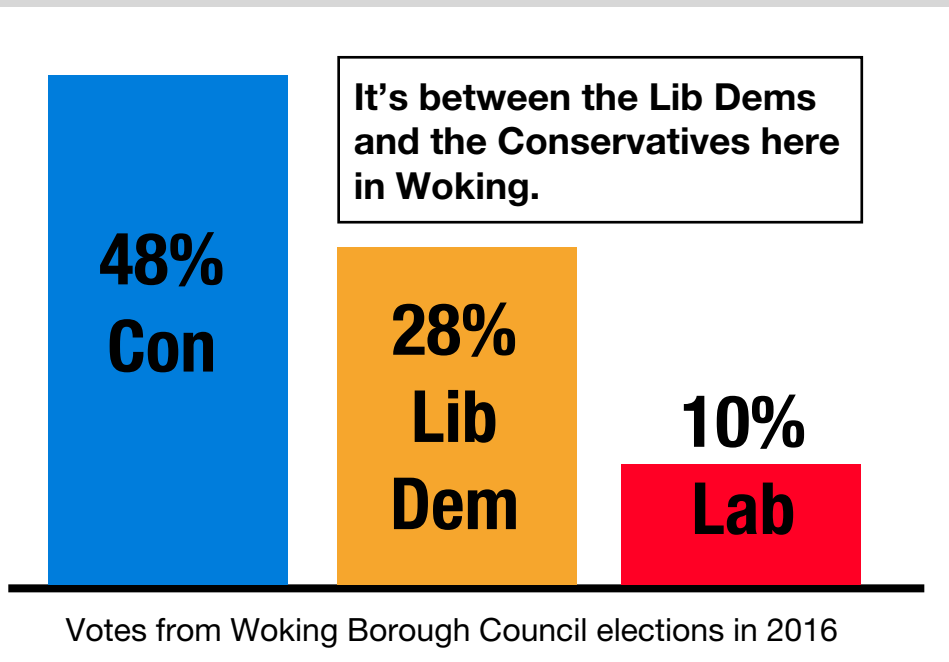

At the last election, the Conservatives were elected as the Government. You may remember their slogan, 'Cameron or chaos'.

David Cameron has gone and all we have had is political turmoil since. Even the future of the United Kingdom is in doubt.

Following the European Referendum the Government has used a narrow victory for Leave to pursue an extreme version of Brexit. The Conservatives are determined to pull Britain out of the single market and cut all ties with our neighbours.

The Lib Dems have strongly opposed a Hard Brexit and need more MPs to continue the fight.

The only way to send a message to the Conservatives that they are taking the country in the wrong direction is to elect Will Forster as the Lib Dem MP for Woking.
