

Stop the Rail Strikes

Following the news that there are 27 days of planned rail strikes in December, Woking's Liberal Democrat candidate Will Forster is writing to South Western Railway and the RMT to demand that they stop the planned strikes immediately.

Members of the RMT will walk out for 27 days throughout December, causing chaos to commuters, to businesses and to people traveling for Christmas.

We urge commuters to sign our petition to call off these strikes now.

We, the undersigned, urge that SWR and RMT return to the negotiating table with their respective teams, and secure a resolution to the ongoing industrial dispute regarding guards and driver-operated trains immediately - and that these strikes are called off now.
